

Heads & Tails

2 players

Materials: coloured cubes, 2 sided counters

- Decide which player will be heads (red) and which will be tails (yellow).
- Each player chooses a colour cube. Place both cubes on the start section (STAR).
- Flip the counter.
- If the coin is red, the heads player moves one space toward the head.
- If the coin is yellow, the tails player moves one space toward the tail.
- Continue playing until one player reaches either the head or the tail.

Who do you think will win?
